Encampment is an amazing summer program that condenses 8 weeks of programming into 6 days. Attracting participants from Upstate NY (Tzafon), Eastern Pennsylvania (EPA) and the Philadelphia Area (HaGesher), Encampment is a great way to end the Summer with familiar faces and new friends.

### Who is Encampment for?

Encampment is for USYers and Kadimaniks, pre-teens and teenagers between 6th-12th grade, who want to hang out and have fun with friends while engaging in Jewish activities!

### What is the difference between USY & Kadima?

The main difference between USY & Kadima is that USY is for high-schoolers (9th-12th graders) and Kadima is for middle-schoolers (6th-8th) graders. We plan a variety of programming, allowing USY & Kadima to both collaborate and separate their programming when appropriate.

## CAMP SPECIFIC

### What do I pack for Encampment?!

Please review our suggested packing list.

### I take medicine every day. Can I keep it in my bunk so it is easier to take?

No, we do not allow any medicine to be kept in your bunk, except Topical Acne medication. Campers who take medicine go to the Marp (infirmary) to take their medicine or it is administered to them at meals. If you have an inhaler for asthma or an EpiPen for allergic reactions, you should carry it with you at all times so you have it when you need it, and bring an extra (just in case)!

### What if I can't drink milk or have allergies to peanuts or other foods?

Ramah Poconos (Encampment camp grounds) is a nut-free camp, and thus we provide suitable alternatives for those campers with allergies. Please indicate on your application the full list of items you are allergic to.

**What happens if I get sick at camp?**

No problem! Campers get sick at camp all the time. Sick campers report the to Marp (infirmary), and our nurse give sthem a good ole check-up! All visits are recorded in the nurse's log, and any condition requiring treatment with medication or a hospital visit will be reported to the camper's parents.

Busing is provided for all registered campers from centralized pickup points. If for some reason you are only attending half of camp or some other unique makeup of days, you will need to transport yourself to and from Encampment.
