ENCAMPMENT

is an exciting, end-of-summer positive Jewish experience with participants from our own **Tzafon Region** (Upstate NY) along with **EPA** (Eastern PA) and **Hagesher** (Phila PA area and South Jersey)!

It provides Jewish teenagers an informal opportunity to make new friends and renew the friendships they might have made at previous events. At the same time, these youngsters will live in a completely Jewish setting where Shabbat and Kashrut are observed.

Most of our campers are returnees who create a warm and friendly atmosphere for all of the new campers. Participants will have the unique experience to spend time interacting and making friends from three USY/Kadima regions!
